No. 387
R. 250
Gen 2

Office of the Deputy Commissioner
Shimoga District,
Dated Shimoga 15th March 1915.

From

K. Matthan Esquire., B.A.,
Deputy Commissioner,
Shimoga District.

To

D.M.Narasinga Rao Esquire., B.A.B.L.,
Officiating Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

In submitting herewith petition dated 12th January 1915 presented to the Dewan during his recent tour in the district by the people of Nagar Taluk making certain representations (which was left with me for needful action) I have the honor to report as follows:-

2. The first seven items of representation being matters for disposal by Government in the Education Department, the same are being submitted to Government in that department.

3. Representation No.8 that the contribution from the ryots of one-third of the cost of repairs of minor tanks recently ordered should be reduced to one fourth is a matter of general policy and I cannot say that in the malnad taluks the existing rules operate as a hardship.

4. Representation No.9 that the villagers of the Nagar taluk should be excluded from the State Forest appears to be too general and impracticable.

5. Out of three village roads mentioned in item No.1 <u>minor</u>, the two village roads from Sampekatte to Nagar and Mumbar to Humchadkatte have been included in the list of newly proposed roads already submitted to Government with my letter No.322 dated 23rd June 1914. The necessity for a road from Karimane to Tirthahalli has been referred to the District Board.

6. As regards the establishment of new dispensaries (stationary)

GPB—75 reams—25-3-10

at Yadur and Lakshimpur (representation No.3 minor), these are included in the list of new dispensaries proposed by the District Board for the district to be opened as funds permit. Dispensaries at these places are felt to be very necessary as they are in the heart of the malnad, but the District Board is unable to meet the cost at present and it is under contemplation to start itinerant dispensaries to begin with in these places under the Malnad Improvement Scheme.

7. Representations Nos.(3) and (4) have been referred to the Inspector General of Education for favorable consideration as the requests are reasonable.

8. As regards representation No.(5) construction of three bridges in the road joining Hydergherghat and Agumbe Ghaut, action has been already taken to construct these bridges out of grants obtained from Local Funds General.

9. A typed note received with the petition classifying the items of representation into major and minor is also enclosed for facility of reference.

I have the honor to be,

Sir,

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 6499 / 295 Enc. 1

Bangalore, 1st October *191* 5.

From

Rao Bahadur
M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

Peter George D'Souza, ESQ., B.A., B.L.,
Secretary to the Government of H. H. the Maharaja of Mysore,
Education and Agriculture *Department.*

SIR,

With reference to your letter No.1083/Edn.34-14-132 dated 3rd September 1915 calling for my views in regard to certain representations made by the people of Nagar, I have the honour to state as follows:-

MAJOR

(1) Regarding the representation that greater prominence should be given to the study of English than to Kanarese in the proposed Mysore University, the subject is not very clear.

(2) The pay of village school masters was raised in Government Order No.1307-S/Edn.82-12-6 dated 13th November 1914 and effect has been given to it.

(3) As regards the establishment of hostels in connection with training institutions, it may be stated that each normal institution has a hostel attached to it and a suitable grant is being paid to it. The Training College at Mysore has got two hostels, one for Hindus and another for Mahomedans. The Maharani's College which contains training classes for women also possesses two hostels.

(4) In regard to the establishment of Anglo-Vernacular Schools at other places than taluk head quarters, if the villagers are earnest in giving their children English education, they may contribute half the cost thereof, as per standing orders of Government, the other half being paid by Government as grant-in-aid.

(5) Regarding the establishment of High Schools in places other than District Head Quarters, there are two such schools at present, one at Channapatna and another at Chikballapur. The number of students in some of the existing High Schools does not warrant the opening of more English High Schools. The question may be considered when the strength in the existing High Schools grows larger than at present.

(6) History is now taught in the Intermediate class of the Central College.

(7) As regards the appointment of a European as the Inspector General of Education, I am of opinion that such an appointment is unsuited to the conditions of Mysore at present. I state this on merits and without reference to my appointment.

M I N O R.

(1) As regards the opening of more Government schools in Nagar Taluk, during the last official year 13 Government Schools were sanctioned for this Taluk out of a total of 130 for the whole State. It is proposed to open some more schools this year also where facilities exist.

(2) Regarding the appointment of a Head Master knowing English and an Assistant Master for the Village Elementary School at Nagar, a Matriculate has been recently appointed as Head Master on Rs.20 in connection with the revision of the scales of pay of Masters of Village Elementary Schools. There is no need at present for an additional hand as the school contains 3 teachers for a total of 69 pupils on the rolls. An additional hand will be given if

the

the strength improves.

The petition of the people of Nagar is returned herewith.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shaw Rao

Inspector General.

TNR.
